JUDGE REITER TO SPEAK

Judge Virgil S. Reiter will be the principal speaker at the regular weekly noon day luncheon of the Chamber of Commerce to be held Wednesday noon in the parlors of the Congressional church, Madison avenue.

At last week's meeting the ladies of the church who are responsible for the serving of the dinner were compelled to add additional tables to take care of the large crowd that had attended to hear Federal Commissioner Charles L. Surridge, speak.

The subject of the abolition of the Public Service Commission will be talked upon.

WIFE SHOTS HUSBAND

A wife's refusal to attend a moving picture theater with her husband early Sunday evening, caused the husband to be taken to the hospital with a gunshot wound and the landing of his wife in the Harbor police station, charged with assault and battery with intent to kill.

The husband, George Sepko, who lives at 3827 Butternut street, had been visiting friends on Sunday afternoon and upon coming home, asked his wife to accompany him to a theater.

A little quarrel followed and Sepko's wife informed him that she would not go with him. Sepko then said to his wife: "I will shoot you," whereupon Mrs. Sepko is alleged to have drawn a revolver which she had hidden and fired several shots at her husband one of which penetrated the left arm, fracturing the bone.

He was taken to the office of Dr. Eli Levine and given treatment and later sent to the St. Margaret's hospital, where his condition is reported as critical.

TWO ARE ARRESTED

Life Skag, who gave his residence at Oblong, Ill., and Frank Culp, of Whiting, were captured by the East Chicago police at Valparaiso Saturday evening after a very exciting chase.

Both men are wanted by the police of Robertsdale and East Chicago for the larceny of automobile accessories and other supplies taken from a garage at that place.

The accused men are also charged with the stealing of a number of auto tires and inner tubes from the Sandow garage, Chicago and McCook avenues. When arrested by the police a car that is also supposed to have been stolen was recovered along with other supplies, which have been identified by several owners. The accused men will be given a hearing this afternoon.

LEGION MEETING

East Chicago post 21, of the American Legion has called a special meeting for Tuesday evening to be held in the court rooms of the city hall, for the purpose of mapping out a program of activities for the balance of this year and for the year 1921.

The new officers of this organization who were elected last week have instilled into the hearts of the members a feeling that is bound to make this post one of the most successful in this district in a short time.

At its last meeting nine new members were accepted and it is predicted that tomorrow evening at least 25 ex-service men will be on hand to join the local post.

The local post have planned to hold a smoker and dance in the near future and all ex-service men, whether legion members or not are respectfully invited to attend this re-organized post.

There are still a number of offices to be filled in the local post and these will probably be elected tomorrow evening.

Complain in Mexico

Of Freight Congestion
MEXICO CITY, Mexico.—Business men here are complaining because the railroads are unable to handle the flood of freight entering and going out of Mexico. They say that the poor service is a serious handicap to Mexico's industries, farms and business establishments.

Much of the rolling stock of the railroads was burned during the revolutions and the lines are hard pressed in the matter of supply cars.
